

How to Find a Network Provider

Medical, Dental and Vision Care Benefit Plans

Medical Care Provider Networks

Each medical plan has its own separate network of doctors, specialists, hospitals, clinics, urgent care centers and other medical providers.

For Anthem Plans: Go to Anthem’s website, anthem.com (Step 1) and then select **California** in the *Select a state* menu (Step 2A) and the network name in the *Select a plan/network* menu (Step 2B). Network names are listed below.

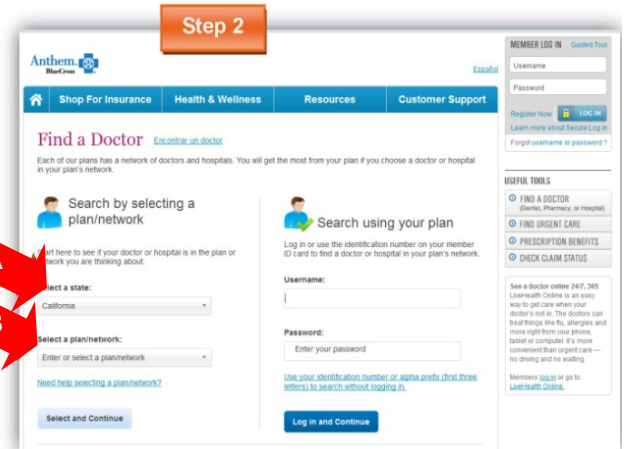

What You Need to Know about the Anthem Vivity Network

The **Anthem Vivity HMO Plan** network features seven top hospital systems:

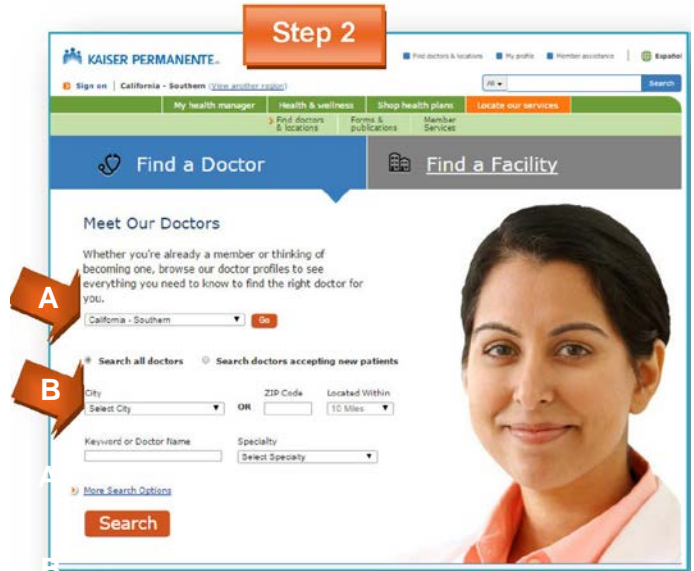

- Cedars-Sinai
- Good Samaritan
- Huntington Memorial
- MemorialCare Health
- PIH Health
- Torrance Memorial
- UCLA Health

The doctors, specialists, clinics and other medical providers are associated with these hospital systems.

Medical Plan Option	Network Name
Anthem Vivity	Vivity
Anthem HMO	Blue Cross HMO (CA Care) Large Group
Anthem EPO	EPO
Anthem PPO	Blue Cross PPO (Prudent Buyer) Large Group

For the Kaiser HMO Plan: On Kaiser’s website, go to the Kaiser Permanente [home page](#) Step 1 and click on the [Find a Doctor](#) button (see red arrow). Then select **California** from the *state* menu (Step 2A) and your city or ZIP code in the drop down menu (Step 2B).

Dental and Vision Care Provider Networks

To find network dental and vision care providers, go to anthem.com and scroll through the Find a Doctor menu to the Dental and Vision plans section, locate the dental and vision networks listed in the table to see if your dentist is in the dental network and your vision care providers are in the vision network.
